

Hosting Appeal

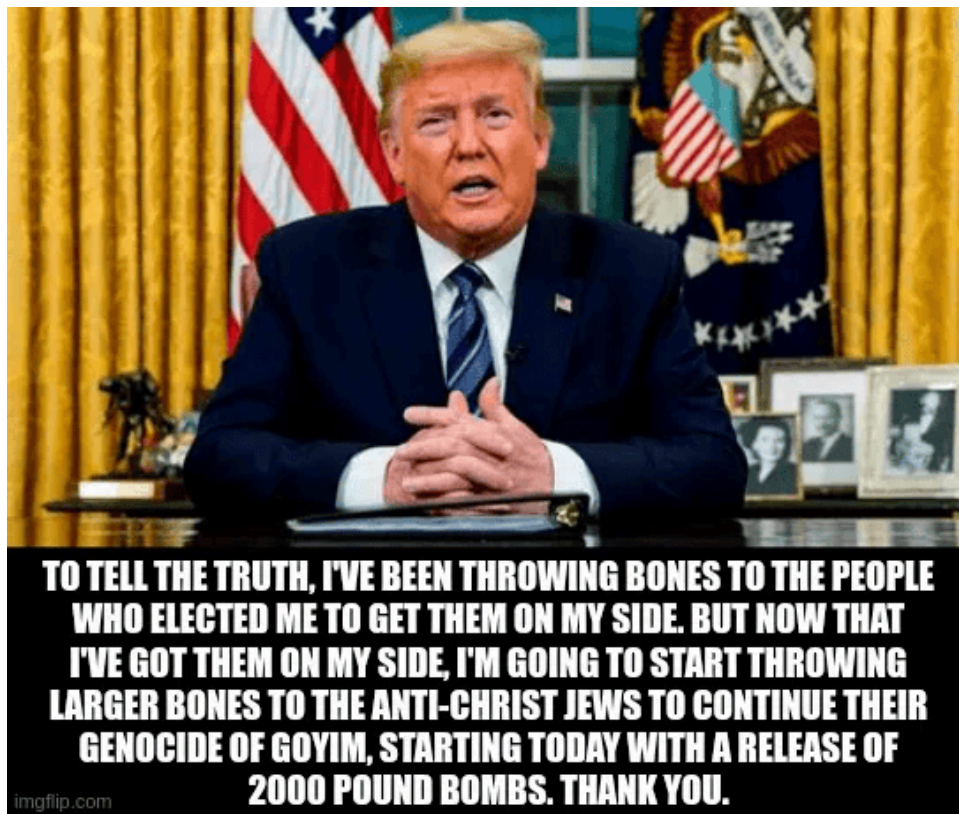

Dear Visitor. The Tap has become increasingly busy and we can't stay online without your help. We need a hosting account upgrade to help cope with the increased activity and keep this free blog online. In this age of great change The Tap is a valuable independent resource where we can come together and share information the controlling parasites would rather we didn't have. Please help if you can and donate a small amount towards the hosting costs. Your donation will make a huge difference. Thank you in advance. [Click here to donate](#)

Trump's domestic policies have been excellent. But they are meant to garner support for his foreign policy – supporting Greater Israel – that will be unpopular.

He disingenuously says that Israel's genocide of Gaza is "not our war: it's their war" after sending Israel 2000 pound bunker-buster bombs. The US and the West in general is guilty of genocide and will NEVER live it down.

We are the new Nazis.

His threat to impose a 25% tariff on anyone who doesn't respond to his demands is troubling. It is impressive that this threat made Colombia accept illegal aliens but what happens if he starts to deport or imprison Israeli critics?
